How your premium is calculated

Sample Premium Calculation for Primary Cardholder Coverage

Premium Rate: \$0.99 per \$100 of the amount You owe on the insured credit card as of its statement date

Statement Period: January 16th to February 15th

Statement Date: February 15th

Amount you owe on the statement date (February 15th) before calculating the premium: \$2,000

Premium You Pay: $\$0.99 \times (\$2,000/100) = \$19.80$ (plus applicable taxes).

Your premium (plus applicable taxes) is automatically charged by Canadian Premier to your Insured credit card on the Statement Date (i.e., February 15th). This premium pays for coverage for the next statement period (i.e., the statement period from February 16th to March 15th).
